HOW DOES IT WORK?

SELLING • FUNDRAISING

Selling for charity

eBay sellers can choose to donate 10%-100% of an item's final sale price to their favorite charity and eBay waives the final value fees, equal to the percentage donated.

How do the funds get to the charity?

Donations from the sales are collected by invoice or directly from the seller's PayPal account. The seller can select how to pay their donations on their [Donation Dashboard User > Settings](#). Charities receive their donation in a monthly payout via our donor advised fund (DAF) partners.
